No idea has closed yet: each one is tracked for 8 weeks or until the 7% stop.

About this report. The Weekly Tape is generated automatically from Ticker&Tape data as of the October 2 close. RS Rating ranks 12-month performance from 1 to 99; trade ideas are leaders with an RS Rating of 80 or more near a buy point, tracked for 8 weeks with a stop 7% below the pivot. Ratings, bases and pivots are calculated automatically and can be wrong. This is a research tool, not investment advice; do your own analysis before you trade.
